[Lroy] > +1 for training :D

No. It can't be! That asshole is
rallying them against me!

This one's so wide!

Fuck! Did it have to have bumbs?!

Who makes these things??

I can't give up. I have to do my best for Master!

AAA...!
RGH!

POP!

Did you see how well I did for you Master?

It's all the way inside me now.

[evil_1] > Lucky pet, getting all this attention today!

[evil_1] > [Donated \$20.00]

[evil_1] > Now you'll get a chance to save your poor little asshole. Crawl to your owner and beg to use your mouth Akemi!

As Akemi swallowed her pride and crawled towards her owner's feet she could feel her anus fighting to expel the plug. A futile effort due to it's size. No matter how hard she tried to ignore it or relax herself nothing seemed to help.

Master, would you like me to pleasure you? I could use my mouth how you like.

[evil_1] > that's asking. I said beg, like the slut pet you are... desperate to please its owner!

[KingGoon] > That's enough man! She did what you asked her to.

[evil_1] > What's the matter @KingGoon? Don't like seeing your precious little Akemi turned into a nasty little whore? 🤪🤪🤪

The fans don't seem convinced Akemi...

Please Master!
Let my ass have a
break... You can
use my mouth
however you
want!

I'll try my
hardest not to
gag this time.

I promise!

GAWK!

GAWK!

GAWK!

A blue-haired anime-style character with cat ears and a long tail is shown from behind, sitting on a large, muscular man's back. She is looking over her shoulder.

Akemi worked her owner's cock deeper as she felt her animalistic side taking over... her mind slowly filling with fantasies of breeding. She began leaking onto the floor in anticipation.

A close-up of Akemi looking up at the man's face with a wide-eyed, excited expression. Her mouth is open as if speaking or reacting.

Don't slow down Akemi! Here I'll help you...

A close-up of Akemi with her eyes closed and a pained expression, vomiting. Her face is flushed red, and liquid is dripping from her mouth. The man's hand is on her head.

RETCH

Not again! I always gag when he wants to use my throat.

[RJay69] > WOW. You can't say she didn't try.

[evil_1] > Just look at her now @KingGoon! Lapping away at her masters feet in hopes of forgiveness.

[KingGoon] > Alright @evil_1 you had your fun you sadistic fuck. She gets to cum now.

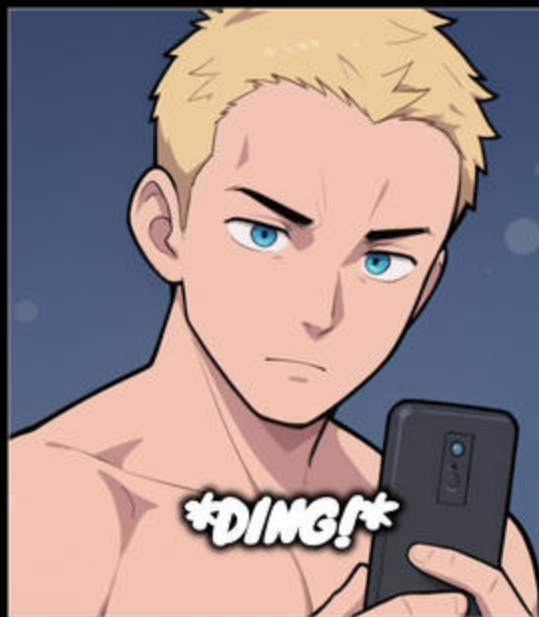

[evil_1] > She failed her task and needs to be punished first. 🙄

[evil_1] > [Donated \$50.00]

[Hard_Rocker77] > Christ evil wasnt that punishment enough?? 🤔🤔

Please don't be angry...

Ass up Akemi!

Ooohhh... I failed! At least Master's not mad at me...
He knows I tried.
I wish I could do it better...

Shit, shit, shit... not again!

POP!

FUCK!

Thwuck!

Is this too far?

That Evil_1 guy
did donate a lot
to the channel...

... and this is what he wants to see.

Come on over girl!

I don't like the looks
of this already...

Now Akemi, since you went and got your toy all dirty. You'll have to clean it up to earn that sweet relief you're craving!

Awe yuck it's still warm, and that sour taste... it's making my eyes water.

Akemi's tongue laboured as it swirled around cleaning away the sour sticky mess that was still clinging to her toy.

Imagining she was servicing her owner's cock, in her mind she could hear his delight and praise. Impressed with her willingness to submit and fulfill his perverted requests.

Akemi's imagination only fueled her sexual frustration and desire to be bred even further.

@Playtime_with_Akemi

Almost... done... Master will be so happy!

[KingGoon] > [Left the chat]

[evil_1] > Guess it was just too much for him to watch 😏

[diggydug] > Call me crazy but it looks like she might actually be enjoying herself!

I've finished my
task Master!

I can have
breeding time
now right?

Realizing her owner was busy chatting with the fans Akemi flopped down in defeat. She opened her legs letting the cold air soothe her hot and swollen pussy. She thought back to her life at the pet store, before she had a home. How being in heat every other week was torture as human males came freely into the store to watch her squirm on display. Desperately rubbing herself as she helplessly fantasized about being brought back to their homes and fucked.

I'll just do this a little while I wait...

Giving into her instincts Akemi began sliding her fingers over her clit, the sensation causing another little stream to trickle down her thigh. Slowly she worked her fingers inside herself rocking up and down going a bit deeper each time. Even though touching herself helped she knew it was only temporary relief while being in heat. Nothing cullled the intense cravings like submitting and letting a male have his way with her. The satisfying feeling of her owner's cock twitching as it pumped inside her before going soft. Knowing she was his, he chose her, he deemed worthy of mating.

Lost in her own little world Akemi was taken by surprise when she suddenly felt her owner's cock plunge inside. She was so wet it slipped in effortlessly. Immediately rolling on her side to a more comfortable position her legs strained to open as wide as possible in what felt like an instinctive involuntary response.

[RJay69] > 🍆!!

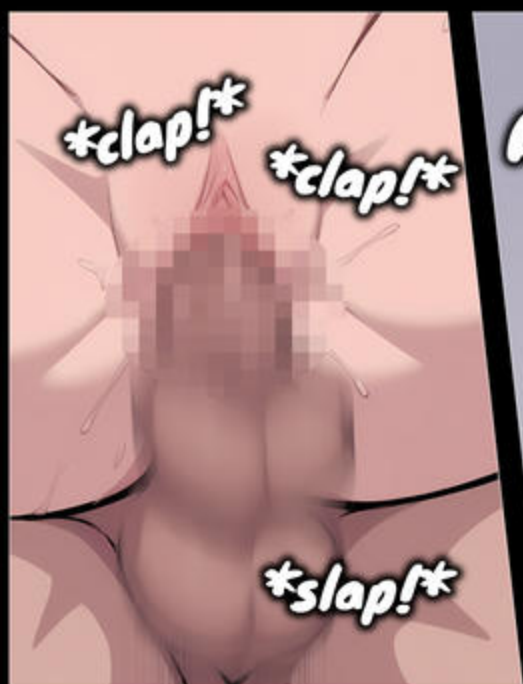

[evil_1] > Taking it like a good little pet isn't she?

[Lroy] > Fuck that's hot

Don't stop Master! Deeper! Harder!

clap!

clap!

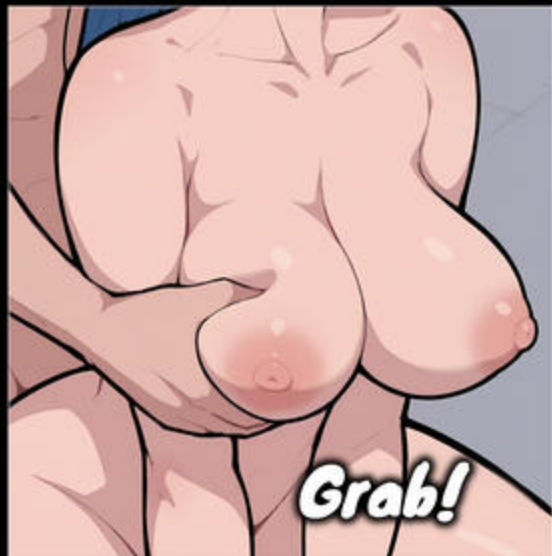

slap!

AHHHH. YES!

Now call me a good girl!

He came so much, I couldn't even hold it all in!

@Playtime_with_Akemi

Thanks for watching and donating everyone! I think Akemi and I are pretty spent so we'll see you on the next Play Time with Akemi!

[diggydug] > Good stream guys!

[Hard_Rocker77] > I came haha... that was hot af

[Lroy] > We didn't need to know that 🙄

[RJay69] > [Left the chat]

[Hard_Rocker77] > [Left the chat]
[diggydug] > [Left the chat]
[Lroy] > [Left the chat]
[evil_1] > Until next time Akemi! 🍆
[evil_1] > [Left the chat]
[@Playtime_with_Akemi is offline]

You must feel a lot better now huh Akemi?

ppppuuurrrr

Yes Master. Thank you.

Akemi's owner slowly stroked her hair as she snuggled into him enjoying his scent and warmth. Finally filled with his cum she could feel all the tension and frustration of being in heat fading.

She was exhausted but looking forward to a good deep sleep, without the constant interruptions of waking up to masturbate.

Eyes heavy, head nestled down in her masters lap Akemi drifted off into blissful sleep, purring away happily.

Thank You

Welcome to the world of Dream Shaper Pets (DSP)

Step into an alternate universe. In a dystopian future with rampant government and corporate corruption the DSP Corporation has become a world leader in the creation and mass production of human animal hybrids known as PetGirls®. Thanks to intense lobbying and deregulation the PetGirls® were classified as the property of DSP much like how genetically modified plant crops work in our world. This enabled the sale and ownership to the buying public, for better or for worst.

As public and private sector demand exploded for PetGirls® so did the DSP Corporations perverse power. This soon spawned the creation of several subsidiaries to facilitate their vision. Kennels, farms, labs and training centers were all created under the DSP umbrella to tailor PetGirls® to any client's specifications and needs.

The DSP universe is similar to ours in the fact that some people fight to change the system. The resistance has created a widely dynamic range of existences and conditions for PetGirls®. Pockets of communities can be found allowing them freedom and integration into general society. No matter where you stand on the ethical issues they were created one thing is seems for certain. Like it or not DSP and PetGirls® are here to stay.
